

Dear Supporter,

Volunteer fire departments are a service home owners hope to never need, but are vital to the communities they serve. The Red Feather Lakes Volunteer Fire Department (RFLVFD) responds to local structure fires, wildfires, accidents, medical emergencies, and more. However, to carry out this mission, the RFLVFD requires support from the community as well. That's why we are writing today to ask for a donation.

The Red Feather Lakes Firehouse Supporters organization is a 501(c)(3) non-profit formed to carry out fundraising activities for the RFLVFD. In addition to fundraising, we aid our local firehouse and community by purchasing equipment for the fire department; hosting the First Responders Appreciation Dinner; and providing food and beverages to firefighters, EMTs, and law enforcement officers during the Fourth of July fireworks show.

Your donation, large or small, will help the RFLVFD meet its future goals. Volunteer fire departments must carefully manage their finances to serve their communities – purchases and upgrades are weighed and prioritized. Currently, the RFLVFD is exploring the replacement the firehouse generator, an important piece of equipment for a station that experiences frequent power outages. We are also funding new blinds in the meeting room and a compressor for the oxygen tanks our firefighters use. The Firehouse Supporters hope to be able to help with these and other equipment purchases through your donations.

Below you'll find information about the different ways you can donate to our cause:

- Checks can be sent to FIREHOUSE SUPPORTERS, PO BOX 23, RED FEATHER LAKES, CO 80545. Please make them out to Firehouse Supporters.
- To donate electronically via PayPal, go to our website, www.rflfpdsupporters.com, and click on the donate button. You can donate through PayPal even if you don't have a PayPal account.

We thank you in advance for your support. Your donations and participation in our fundraising activities are greatly appreciated!

Sincerely,

Gerry Wagner, President
Red Feather Lakes Fire Protection District Supporters
